

1801 Sand Dollar Court  
Kure Beach, NC 28449

A1 Property Management has reviewed this property for the potential of being a short term vacation rental. As a 3 bed 3 bath property it will be highly desirable to families for their beach vacation. With a large wrap around ocean front porch they will enjoy themselves and hopefully return year after year.

We estimate that the gross yearly rental income will be approximately \$60,000.

A1 Property Management is a local, family run company that provides a high level of customer service. We advertise on our website, VRBO/Homeaway and Airbnb. If you would like more information regarding having us manage your investment property please give us a call.
